

Pet Policy

A few rules to live happily with them.

1. We ONLY accept animals provided with valid documentation (pet passport). If your pet does not comply with this condition, the reservation shall be cancelled and the deposit returned;
2. You may not leave your pet in the apartment unattended (unless you keep it in its kennel);
3. Dogs must be kept on a leash when on the grounds;
4. Make sure your pet does not make any noises which might disturb the other guests at night;
5. Always clean up after your pet;
6. Make sure you leave the room in a clean, neat and tidy condition;
7. Please note that pet owners will be personally responsible for any damage to person or property.

Thank you for your cooperation.

The Manager.
